Rosemont Update.docx

Thanks Kathleen. I was wondering about traveling along to visit Rosemont. Is that appropriate for this project – should I wait for another one since Kathy is already going and this project has heavy investment from senior management. Just wondering in general about the travel dollars available to support site visits when opportunities arise.

Carter, as discussed, please take a look at this and modify as needs be. Nicole and Kathy, Cynthia called Jared about Rosemont and will be talking with him at 11:45. (At this point just the two of them, although I will try to sit in also) Jared requested an update.
